

STIPEND

Teachers selected to participate as NEH Summer Scholars will receive a stipend of \$1,200 at the end of the residential workshop session. Stipends are intended to **help** cover travel expenses to and from the project location, books, and ordinary living expenses. Stipends are taxable.

NEH Summer Scholars are required to attend all scheduled meetings and to engage fully as professionals in all project activities. Participants who do not complete the full tenure of the project will receive a reduced stipend.

I am pleased to tell you that The Friends of the Mark Twain House will again provide our group with lunches each day, which means that that meal will not be an added expense for you. The Friends did a great job making us delicious and varied lunches during our NEH Summer Teacher

institute this past summer, and I know you will be very pleased with the fare they will serve for us this summer.
