near Soldiers & Sailors Monument
- 12 Leisure in Bushnell Park**
near the Corning Fountain

We've installed a Mark Twain History Trail throughout downtown Hartford and Bushnell Park. Each of the twelve signs are in a location significant to Twain's life while in Hartford. The stops are indicated on the map in pink numbers, but don't worry you don't have to visit them in order and we've made the signs pink in real life so they will be easy to spot!
